RE: United States v. Asselin

04 CR 30033-MAP

Dear Mr. Welch:

Please forgive my tardiness in the submission of this letter. Rather than make a separate request for further discovery materials, I will simply join in the requests made by Mr. Kiley on behalf of Christopher Asselin and by Mr. Lesser on behalf of Maria Serrazina.

I would like to view certain materials that are pertinent to Ms. Asselin, but I am content to put that off at this point and make the appropriate arrangements with Agent Hedges when necessary.

Thank you for your attention to this matter.

Very truly yours,

David P. Hoose
